**'East Coast Metallic Tubing and Hardware Supply Corp'**  
**1951 Ocean Ave Ronkonkoma, New York**

To whom this may concern;

The OutreachSpeed.com<sup>®</sup> Bond Program represents 'East Coast Supply' for their surety bonding needs. East Coast Supply has demonstrated a strong record of past-performance, sound project planning and estimating, solid systems for project and risk-management controls, and exceptional knowledge of their client's requirements.

At the present time, the [OutreachSpeed.com](http://OutreachSpeed.com) Bond Program avails bonding for East Coast Supply is on several fronts, including; Wells Fargo Insurance (NYC) for Treasury-listed A-rated surety's which is available on a per-project basis, as well as the broader bond program with 'Consumers Choice Assurance, LTD' ('CCA') for private individual surety backed by 100% direct-procurement insurance policy issued by the Managing General Agency at 705 Glen Ferry Trail, Atlanta, GA 30328, Richard Crock, Attorney-in-Fact, to owner/obligee.

The CCA format is in a position to provide bonds on behalf of East Coast Supply for projects as large as **\$2.5MM single** or within a total **aggregate capacity** of **\$5MM**. To note, Funds Control and contract-specific funding facility are integrated services with this bond program.

This writing is neither a specific binding commitment nor a limitation on the bond capacity of East Coast Supply. It should be viewed as a general guideline. Should East Coast Supply be awarded a contract, the OutreachSpeed<sup>®</sup> Bond program selects the necessary Surety Company and structure to look upon a request for final bonds favorably. As always, OutreachSpeed<sup>®</sup> and each Surety Company reserves the right to perform standard underwriting protocols at the time of a Bid Bond or final bond request, to include, but not limited to the acceptability of the project contract documents, bond forms and financing.
