Dear Ms. Ehmann,

The New York State Department of Economic Development, Division of Minority and Women's Business Development (DMWBD) has completed its review of your application for State Certification as a Women Business Enterprise (WBE) and has determined that your firm meets eligibility requirements for certification, pursuant to Executive Law, Article 15-A and 5NYCRR Section 140 through 145 of the Regulations.

On behalf of the DMWBD, we are pleased to inform you that the firm of **East Coast Metallic Tubing & Hardware Supply Corp.** has been granted status as a Women Business Enterprise (**WBE**). In our effort to help you have the broadest possible reach, your business will be listed in the State's Directory of Certified Businesses with the codes listed on the following page.

Certification status is not intended to imply that New York State guarantees your company's capability to perform on contracts, nor does it imply that your company is guaranteed any State business.

Be advised that your certification expires three (3) years from the date of this letter or unless you are contacted by this Office for recertification.

Please remember that any changes in your company that affect ownership, managerial and/or operational control, must be reported to this Office within thirty (30) days of such changes; including changes to company name, business address, telephone numbers, principal products/services and bonding capacity. At such time as it is necessary for your company to be recertified, you will be notified by this office.

If your certification is questioned by any public or private entity, please direct the inquiry to this Office for clarification. Thank you for your cooperation. On behalf of the State of New York, I wish you luck in your business endeavors, particularly those involving State agencies.

Sincerely,

Dean Bennett
Executive Director DMWBD
